

## Education Qualification

Post. Doctoral Fellow, Weizmann Institute of Science, Israel  
Phd (Biochemistry), Weizmann Institute of Science, Israel  
M.Sc (Biotechnology), DBT, Banasthali Vidyapith, Rajasthan  
B.Sc (Biological Sciences), Maharani College, Jaipur

## Research Interest

Drug Discovery and Research, Biosimilars, Genomics and personalised Medicine

## Academic/Industry/Research Experience

- Guest Faculty, Agility Centre for education (IGMPI) Vadodara
- Guest Faculty, Fergusson College, Pune
- Head of the Department, Pharmaceutical Management and Associate Professor at the MITCON Institute of Management (MIMA), Pune
- Research Scientist, National AIDS Research Institute, Bhosari, Pune.
- Post-Doctoral Fellow, Weizmann Institute of Science, Israel
- Junior Research Fellow, Jawaharlal Nehru Centre for Scientific and Advanced Research (J.N.C.S.A.R.), Bangalore, India.
- Oncology Manager, INTAS Pharmaceutical, Ahmedabad
- Junior Research Fellow, Institute of Nuclear Medicine and Allied Sciences, Defence Research development Organization, New Delhi, India.

## Courses Taught

- Drug Discovery and Research
- Pharmaceutical and Biotechnology Management and Business development
- Preclinical and Clinical Studies
- Scientific Writing
- Technology Transfer and Pricing
- Advances in Biological sciences, Biochemistry, Biophysics
- AIDS and Cancer research
- GLP, GMP and Bioethics in research and Pharma

# Dr. Saroj Shekhawat

Assistant Professor, Biotechnology & CEO, GSFC University Innovation Incubation & Technology Applied Research Centre (GUITAR)

School of Science

### Conference & Seminar

- Conducted two day workshop for TATA CHEMICAL LIMITED, Pune on “Technology Pricing and Costing”.
- Invited speaker for a UGC organized conference on “Technology Foresight in Life Sciences”, 20-21 Feb 2010, at M.A. College, Aurangabad.
- Panel Member for “National Seminar on the Convergence of Law and Biotechnology” organized jointly by D.E.S. Law College and Fergusson College on 17-18 Feb 2010. Presented the paper “We can therefore, Should We?”, the issues surrounding cloning and Stem Cell Research.
- Organized and International Conference on “Pre-clinical Testing of Candidate Microbicides”, 02-06 Feb 2009 at NARI, India. This was in collaboration with Harvard Medical School, USA, CONRAD, USA and King George’s Medical School, UK and DBT-ICMR India.

### Awards & Honors

- EMBO fellowship, Heidelberg Germany
- Feinberg Fellowship, Israel
- DRDO Fellowship, Delhi
- DBT Scholarship, Delhi
